Rote Karte: Erstbelehrung nach § 42 & 43 Infektionsschutzgesetz

The Rote Karte (Red Card) is a hygiene pass. It is obtained after getting an official video training by Gesundheitsamt (Health Department). You need to pre-book the online appointment and you will pay 20€ for this at the spot using only Giro-Card.

It is obvious to not get an appointment due to limited slots but we will help you with that. We will provide you a video tutorial on how to book an appointment.

You can read the hygiene regulations in full in the PDF titled *Belehrung gemäß § 43 Abs.1 Nr.1 Infektionsschutzgesetz (IfSG)* in the *Legal Requirements* section.

The obligation of having Rote Karte applies to all persons who professionally produce, handle or place on the market the following foodstuffs:

- 1. meat, poultry meat and products thereof*
