

HomeMeal.

Second Refrigerator

In order to keep your ingredients safe and contamination free, you need to have a second refrigerator in your home so that you can ensure the safety of your customers.

- Fridge can be in kitchen or in store room.
- It needs to be a separate fridge even if you have one big existing one.
- No one else should have the access to the fridge contents than you.
You need to lock the fridge for that reason.

HomeMeal

HomeMeal GmbH

Rheinsberger Str. 76/77
