Introduction

1. Submit application

Register via our Website: <https://www.homemeal.de/become-a-chef>

We will get in touch with you in couple of days with informations for next steps.

2. 10 min Discovery Call

We will call you after receiving your application via WhatsApp.

We'd like to know more about you and your idea of starting own food business. We will also explain the concept of HomeMeal, where we stand, and what the next onboarding steps will be.

In this call we will figure out if your vision aligns with ours. At the end of the call, you will get all the requirements that we talked in the call by email.

3. Onboarding session

After you got all the required documents, we just have to make it official! We will meet at our office for an onboarding session where you will understand how the app works.

Your description is on point & photos look great. It's time to release your profile and you're officially HomeMeal partner! You can now post your new meals, set time and price and see who ordered your food!

4. Food tasting & content creation

We'd like to taste your food before you offer it to the customers and make your profile to look nice! That means we help you to take proper photos of you & your meals or show you how you do it in the future. You bring your description with you.
